

# Soundwave

R3hab

Come around, come around, make a wall of thunder  
Be a spark in the dark, a tidal wave of dancing light  
Build it up now, waiting for the drop is the wonder  
Oh, what a sound, raining down all around, you're a beautiful sight

Riding a soundwave, no slowing down, say go (oh) go (o-oh)  
Into the sunrays, no cooling down, say no (oh)  
Let's just keep going

Let's just keep going

No comin' down, comin' down, keep the innovations  
Say it loud to the crowd, our fire burns into the night  
Turn it up now, sending only good vibrations  
A whole wall of sound crushing down all around  
What a beautiful life

Riding a soundwave, no slowing down, say go (oh) go (o-oh)  
Into the sunrays, no cooling down, say no (oh)  
Let's just keep going

Let's just keep going
