

Easy Love

R5

Loving you ain't easy, nothing ever is
But I will keep on fighting, for a love like this
You know I wouldn't have it any other way
Even when times get tough
I don't want no easy love

This is a track of the guys with one lady in their life
You wanna pull out your head sometimes
But she's still your girl

Love lasts
It's like a unicorn
Holdin' on a lost art form
Sometimes you wanna throw in the towel
But she's still your girl

Loving you ain't easy, nothing ever is
But I will keep on fighting, for a love like this
You know I wouldn't have it any other way
Even when times get tough
I don't want no easy love

Second verse goes to the females
Rolling it as when we (fail)
Making you go and shop re(tail)
But he's still your man

I'll be crass, it's undeniable
Dirtbags, we're professional
Sometimes you wanna throw in the towel
But he's still your man

Loving you ain't easy, nothing ever is
But I will keep on fighting, for a love like this
You know I wouldn't have it any other way
Even when times get tough
I don't want no easy love

I don't believe that nothing lasts forever
And everytime you're feeling down
I know we're gonna work it out
And I know we can't live without each other
Oh, nothing worth having comes easy
And baby you got me singing

Loving you ain't easy, nothing ever is
Well I will keep on fighting, for a love like this
You know I wouldn't have it any other way
Even when times get tough
I don't want no easy love

Loving you ain't easy, nothing ever is
Well I will keep on fighting, for a love like this
You know I wouldn't have it any other way
Even when times get tough
I don't want no easy love
