

Love Me Like That

R5

I wake up and my hair's a mess
And I'm too lazy to get, to get dressed, yeah
I love the way you love me 'cause you love me like that
I love the way you love me 'cause you love me like that

I never took my driving test
So every day you take me, take me to class, yeah
I love the way you love me 'cause you love me like that
I love the way you love me 'cause you love me like that

I'm a primadonna, somehow you still wanna
Gimme everything I want, yeah
I might be a diva, gimme what I need, uh
We can party all night long

I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)
I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)

Blah blah blah blah blah
I don't have to say nothing, de nada, uh
I love the way you love me 'cause you love me like that
I love the way you love me 'cause you love me like that

I ate all the candy in your piñata
You don't even like the way I say ba-na-na
I love the way you love me 'cause you love me like that
I love the way you love me 'cause you love me like that

I'm a primadonna, somehow you still wanna
Gimme everything I want, yeah
I might be a diva, gimme what I need, uh
We can party all night long

I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)
I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)

You love me even when I call you up
Middle of the night just to wake you up
Nothin' on my mind but how we're so in love, yeah

I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)
I love the way you, love the way you love me, yeah
(I love the way you love me, love the way you love me)

(Na na na na na na) I love the way you love me
(Na na na na na na) I said I love the way you love me
(Na na na na na na) I love the way you love me
(Na na na na na na) I said I love the way you love me
