

Things Are Looking Up

R5

You are a business
I was a startup
You are like high spend
I was under look
I need a Coffee
You are a Starbucks
You were a Record
I was a Remix
You were the sunshine
I was a rain check
You needed time
But you were my Rolex

I couldn't get it right
Til you opened up my eyes
You turn my hole world
Upside down
1 2 3 4
Things are looking up
Things are looking up
I couldn't find
The star in the sky
But now that I found as
Things are looking up
Even when I'm down
How about enough
Looking at the ground
I couldn't find
The star in the sky
But now that I found as
Things are looking up

You were a Diamond
I was a Coldmind
You were a Freeway
I was a stop sign
I was a paycheck
You are like a goldnine

I couldn't get it right
Til you opened up my eyes
You turn my hole world
Upside down
1 2 3 4
Things are looking up
Things are looking up
I couldn't find
The star in the sky
But now that I found as
Things are looking up
Even when I'm down
How about enough
Looking at the ground
I couldn't find
The star in the sky
But now that I found as
Things are looking up

I've been up and
I've been down
Girl you make
My world go round
There's nothing like
The high I found
Thing's are looking up
Thing's are looking up
I've been up and
I've been down
Girl you make
My world go round
There's nothing like
The high I found
Thing's are looking up
Thing's are looking up

Things are looking up
Things are looking up
I couldn't find
The star in the sky
But now that I found as
Things are looking up
Even when I'm down
How about enough
Looking at the ground
I couldn't find
The star in the sky
But now that I found as
Things are looking
Things are looking up
Things are looking up

I couldn't find
The star in the sky
But now that I found as
Things are looking up
Even when I'm down
How about enough
Looking at the ground
I couldn't find
The star in the sky
But now that I found as
Things are looking up
