

Dance with Me

Ra Ra Riot

All I most, I most it feel I had a good day
All I most, I most it feel I had a good day
It wasn't that great.

But if I start to move it, 'cause I'd rather be
Getting into wonder, why don't you stay here?
But on the contrary, I live in loneliness.
So lonely, so lonely.

Chorus:

Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.

All I most, I mostly wish I had a bad way
All I most, I mostly wish I had a bad way
That would be so great.
I'll be so up for it, you wouldn't slow me down.,
I always want to put it in another minute
I could run for, through it's all the same
If you want, we could try today...

Chorus:

Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
I wanna be your toy, I wanna be your toy.
I wanna be your toy, I wanna be your toy.
I wanna be your toy, ... I never felt it myself
I wanna be your toy, I wanna be your toy.
I wanna be your toy, I wanna be your toy.

Chorus:

Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy.
Come and dance with me, bitter sweet fool
I wanna be your toy, I wanna be your toy
