

When I Dream

Ra Ra Riot

All my days, down the neck,
We're not awake, I'd fall through
Wanna be there, could've been more
Suddenly thought I'd know I wasn't there
Wanna be there, could've been more
Try to erase pieces own I'm hoping for

And when I dream, it's not of you, oh
And when I call, I wonder, I do
I run, yeah I run, but you follow, oh, oh
And when I dream, it's not of you

I ride the dogs on the lake, under the lights
A frozen breeze
Wanna be there, could've been more
Suddenly thought, don't change, don't change
Wanna be there, could've been more
Help me to find, won't you pray for my release

And when I dream, it's not of you, oh
And when I call, I wonder, I do
I run, yeah I run, but you follow,
Drop to my knees but you haunt me more
Then when I dream, it's not of you

What do you need to claim a victory?
Not every light that I leave on
Does it have an end that you see?
O-oh-oh

And when I dream, it's not of you, oh
And when I call, I wonder, I do
I run, yeah I run, but you follow,
Drop to my knees but you haunt me more
And when I dream, it's not of you
