

# The Foundation

Ra

I have the chain.  
This relative of the last one.  
Settin off rules.  
No time to shake down.  
Don't need but a moment to blast one.  
This is how we roll.  
So full of soul,  
That the founding fathers be delivered.  
No chemistry is inside of me.  
Opponents, they start to shiver while...

I have seen the state of being  
In which the world will change it's own.  
I have failed to teach the children  
That the fear will gets in over.  
And I have heard the god of prophets  
Coming out of my TV.  
And I refuse to let you down  
And inbetween while stealing me.

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you kick it up, you kick it up, you kick it up,  
As a rocking foundation, as a rocking foundation.

My mind is always on the run,  
Too and fro, in oblivion.  
Simplify the urban family, yeah,  
Fights the war again, social insanity.

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you kick it up, you kick it up, you kick it up,  
As a rocking foundation, as a rocking foundation.

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you lock it down, you lock it down, you lock it down,  
As a rocking foundation.

Your life is only one tick of...  
Yeah,  
And you have got the golden cage.

Push it out the street, to the sewer,  
Enemies will grow, few to fewer.  
Steadfast we call on all nations,  
Dance as we rock on all stations.  
Feel it in your bones, shake it down,  
Rise above it all, drop your frown.  
Fall onto your knees, hands go high up,  
Smokey add fuel, to the fire.

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you kick it up, you kick it up, you kick it up,  
As a rocking foundation. (As a rocking foundation.)

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you lock it down, you lock it down, you lock it down,  
As a rocking foundation. (As a rocking foundation.)

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you kick it up, you kick it up, you kick it up,  
As a rocking foundation. (As a rocking foundation.)

Calling, calling all nations.  
You've got to push the, push the invasion.  
So when you lock it down, you lock it down, you lock it down,  
As a rocking foundation. (As a rocking foundation.)
