

# Hide Me

Rachael Lampa

Here beside the water  
The wind to kiss my face  
Oh you find me, find me, find me in your love

I feel your hand upon me  
You rescue me again  
Oh you hide me, hide me, hide me in your love

Oh, falling into Heaven where I am safe and I am free  
Oh, you find me here fill me with your peace  
Oh, you hide me in the shelter of your love

The sky it holds your beauty, your blanket covers me  
My heart is what I bring you  
Oh you hold me, hold me, hold me in your arms

Oh, falling into Heaven where I am safe and I am free  
Oh, you find me here fill me with your peace  
Oh, you hide me in the shelter

Oh, falling into Heaven where I am safe and I am free  
Oh, you find me here fill me with your peace  
Oh you hide me, oh you hide me, oh you hide me in the shelter  
Hide me in the shelter of your love
