

# I'm All Yours

Rachael Lampa

Yeah, people have been talking  
About what I should do  
But I just can't listen  
I keep in tune to You

But I'm not gonna fall  
I'm giving it all to You, my Lord  
I'm not gonna fall  
I'm giving it all to You

If I fix my eyes on You  
Will You show me what to do?  
I'll lay down my sorrows  
I'm all Yours

If I could make the world  
Fade away for just a moment  
To be alone with You

Too many voices, too many noises  
Too many choices.  
Why can't it be just You and me?

But I'm not gonna fall  
I'm giving it all to You, my Lord  
I'm not gonna fall  
I'm giving it all to You, oh, yeah

If I fix my eyes on You  
Will You show me what to do?  
I'll lay down my sorrows

All that I can see is that they're looking at me  
But all I've ever wanted was for You to be  
The only Thing that matters in my life to me  
But Lord, You know, You know, You know

Standing in the midst of the crowd, I cry out loud  
Gonna give it all, I'll be living it out loud  
You are the King and the light in my eyes  
You already know I'm reaching for the prize, yeah, yeah

If I fix my eyes on You  
Will You show me what to do?  
I'll lay down my sorrows  
I'm all yours, I'm all yours! I'm all yours

If I fix my eyes on You  
Will You show me what to do?  
I'll lay down my sorrows  
I'm all Yours

I'm not gonna fall, I'm giving it all  
I'm not gonna fall, I'm giving it all  
I'm not gonna fall, I'm giving it all  
I'm not gonna fall, I'm giving it all
