If You Believe

Rachael Lampa

I close my eyes,
And even when I'm sleeping
I'm alright,
'Cause You were, in my life.

Once upon a time,
I only imagined this
And now You're mine.
Wished for you so hard
Prayed that You'd find me;
Maybe your here today,
Here to remind me:

If you believe that dreams come true,
There's One that's waiting there for you.
'Cause I believed when I saw You
That when you want something enough,
That it can't escape Your love.
There is nothing in the world that cannot be...
If you believe, oh oh...

Everybody said
That I was a fool to think
That we'd connect
But I couldn't get my heart out of my head,
And they just didn't see;
No, they just couldnt know
The feeling that You get,
The places that You go...

If you believe that dreams come true,
There's One that's waiting there for you.
'Cause I believed when I saw You
That when you want something enough,
Thren it can't escape Your love.
There is nothing in the world that cannot be...
If you believe.

Never wished for material things;
Never needed wind in my wings.
I never wished for anything but You...oh!
I can't explain it,
Someone just told me,
"Go where your heart is,
You'll never be lonely."

If you believe that dreams come true,
There's One that's waiting there for you.
'Cause I believed when I saw You
That (when you believe) when You want Someone enough,
Then they can't escape Your love.
There is nothing in the world that cannot be,
If you believe.
Believe, believe, believe, ooh...
