

It's About You

Rachael Lampa

Considering all that You give to me
Looking at all that You bring,
I'd have to be a fool not to choose to keep
Your love, Your love.

And just when I think that I found You out,
You open my eyes to what Your love's about, and
I am forever changed.

You give me Your heart, and
You give me Your soul. (Oh oh oh oh oh, oh)
You're takin' my life, and
You're takin' control. (Oh oh oh oh oh, oh oh)
It's not what I say, and
It's not what I do... (Oh oh oh oh oh, oh)
It's not about me; it's about You.

I'm staring at all that I thought I knew;
I throw it away because, compared to You
It just doesn't add up to
Your love, Your love.

And You said that You'd give me all this...
I'm standing on this promise:
That I'll be forever changed.

You give me Your heart, and
You give me Your soul. (Oh oh oh oh oh, oh)
You're takin' my life, and
You're takin' control. (Oh oh oh oh oh, oh oh)
It's not what I say, and
It's not what I do... (Oh oh oh oh oh, oh)
It's not about me; it's about You.

(It's not me.)
(You show me)
You show me (that You are the One)
You are the One, oh... (Who knows me)
(And I need) to step out in faith
Follow hard in Your ways;
Never bend, never sway
Day after day....

And just when I think that I found You out,
You open my eyes to what Your love's about, and
I am forever changed. Yeah!

You give me Your heart, and
You give me Your soul. (Yeah) (Oh oh oh oh oh, oh)
You're takin' my life, and
You're takin' control. (Oh oh oh oh oh, oh oh)
Oh, it's not what I say, and
It's not what I do... (Oh oh oh oh oh, oh)
It's not about me; it's about You, yeah, oh.

You give me Your heart, and
You give me Your soul. (Oh) (Oh oh oh oh oh, oh)

You're takin' my life, (Takin' my life) and
You're takin' control. (Takin' control) (Oh oh oh oh oh, oh oh)
It's not what I say, and
It's not what I do... (Oh oh oh oh oh, oh)
It's not about me, oh...
It's not about me; it's about You.
