

## Lead Me (I'll Follow)

Rachael Lampa

Here is a question that I need to know:  
Why turn my back and just refuse to go  
When You have made for me a path so bright  
Through this life (mmm-hmm)?

Oh Lord, I know You want to help me see  
'Cause You know exactly where I need to be.  
There will be troubles there to block my sight,  
But I'll be alright when You shine Your light!

Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.  
You take my circumstances into Your hands and make a way.  
Lord, You take me by the hand,

Showing me the things You've planned, soâ?!  
Lead me, I'll follow wherever You go.  
There is no question that my future's clear  
'Cause I know You're answerin' my every pray'r;

And when You don't say what I want to hear,  
I won't fear, 'cause I know You willâ?!  
Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.

You take my circumstances into Your hands and make a way.  
Lord, You take me by the hand,  
Showing me the things You've planned, so  
Lead me, I'll follow wherever You go

Hey, hey, ooh, oh, woah, yeay, yeah!  
(Na na na na, na na na na, na na na na na,  
Na na na na, na na na na, na na na, na na,  
Na na na na, na na na na, na na na na na)

Lord, You take me by the hand,  
Showing me the things You've planned, soâ?!  
Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.

Lord, every circumstance falls in Your hands; You make a way.  
Right before my eyes to see, you're the path in front of me, so  
â?!  
Lead me, I'll follow wherever You go.
