

# Heavyweight

Rachael Yamagata

You think you are such a heavyweight  
It don't mean nothing  
At the end of the day  
There is not a thing here left to break  
I won't feeling nothing  
There's nothing you can say to  
Make me feel like I should walk away  
I'll help you bear your heavyweight

You can take you anger out on me  
oh, what's it matter  
If my hope gets shattered  
I will love you through all your mistakes  
I'll carry you, your heavyweight

No matter what you do  
No matter what you say  
You're pulling punches  
You're pulling punches  
Hit below the belt  
You give yourself away

I'm pulling for you  
I'm pulling for you

Such a losing fight of me  
Don't give up tonight  
You'll be okay

You think you are such a heavyweight  
But I'm sure of something  
You don't have to be afraid to cry  
Just show me how you've got inside  
I can be your place to hide  
If you would just release your pride  
Win or lose, I'm by your side  
Give up your heavyweight tonight
