

# I'm Going Back

Rachael Yamagata

I'm going back  
To when you were three  
You looked at the world  
So innocently  
Yes I'm going back  
The way we all do  
When life was easier for you

I'm going back  
To afternoon light  
To long summer days  
And dreams through the night  
Forever a king  
The world at your feet  
A smile just for you  
A kiss on your cheek

And I know it isn't easy remembering  
And I know it isn't easy to hear  
But she wants you to know  
She's near

I'm going back  
To easier times  
I'll stay til you fall asleep in my arms  
My hand in your hand  
And hope in your heart  
I'd give anything to bring you back  
To the start  
I'd give anything to bring you back  
To the start
