

Meet Me By The Water

Rachael Yamagata

Would you please meet me by the water, baby
We'll have a really good time
Would you please meet me by the water, baby
'Cause I can't get you off of my mind

I've been thinking everyday about you
Don't fit anywhere into my life, but that's okay
'Cause I think I might be right for you
And because of that, I'm not scared at all
And everyone says I'm crazy
And everyone says I'm a fool
Would you meet me by the water tonight
'Cause I'm ready to break all the rules

Please don't leave me standing
With my heart in my hand
I can't last here
I'm breaking down,
And no one understands why I got here
But I knew from the very first moment
That I met you
You'd be the one

Would you meet me by the water tonight
Would you please fall asleep
Holding my hand
'Cause I've got everything in store for you, baby
If you'll be my man
