

# Fooling You

Rachel Platten

Do I, do I, do I  
Do I, do I, do I  
Do I, do I, do I  
Do I, do I, do I

You, you know that I've done bad things  
In my didn't-know-a-thing phase  
I'm not sure sometimes that I've changed  
And you know all that, still you stay  
I don't know if I'm deserving  
Of how unconditionally  
You just love me and accept me, yeah  
You know all that, still you stay

Any reasonable person would've left by now  
But you, you're holding me after everything you found out, ooh

You saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
You saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
(Why do I feel like I'm fooling  
Why do I feel like I'm fooling  
Why do I feel like I'm fooling you?)

Seems I might've kicked the habit of not letting in the magic  
Because, after all, we have this, yeah  
Yeah yeah, you are loving me  
I, I know it isn't easy when the weakest part of me  
Preys on the good that you and me made, oh  
But here you are, still you stay

Any reasonable person would've left by now  
But you, you're holding me after everything you found out, ooh

You saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
You saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
Ooh, ooh, ooh  
I feel like I'm fooling you

Or maybe it's just hard for me to see  
Yeah, all the good you say you see in me  
And I wish I, oh, I wish I could believe it too  
But I feel like I'm fooling you  
(Why do I feel like I'm fooling  
Why do I feel like I'm fooling  
Why do I feel like I'm fooling you?)

Ooh

Oh, you saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
You saw my wild ways  
Stuck around through my ugly days  
I know you mean everything you say  
So, why do I feel like I'm fooling you?  
Ooh, ooh  
Feel like I'm fooling you  
Ooh, I feel like I'm fooling you
