

# Lone Ranger

Rachel Platten

Maybe I'm selfish call me see-through  
But I'm debating if I really need to  
Be tied, tied to someone forever  
Sure I get lonely sometimes and miss being together but hey!  
I wanna roam from city to city  
Let the highway and the crowd fill the hunger that's in me  
Fill up with fireworks and tell me I'm skinny  
I could soak up the fire in the buzz they give me

Long nights, stay up late  
Drink the sky, meditate  
Open eyes, sunroof  
Give me miles, give me truth

Sometimes I get high, sometimes I get low  
But I'm calm as can be in a room full of strangers  
But oh my, don't try to get close  
I'm just going to leave because I'm a lone ranger

Na, na, na, na, na, na, na

I'm a lion, I'm a tiger  
I'm a caged-bird, I'm on fire  
Got these paper wings, but they don't hold the air  
Get so close to somebody, but I don't stay there  
Much less brave than I admit  
Much more scared than they all think  
But I'm protecting the organ in my chest  
Because the blood, sweat,  
and tears they can make quite a mess

Open eyes, open roof  
Give me miles, give me truth

Sometimes I get high, sometimes I get low  
But I'm calm as can be in a room full of strangers  
But oh my, don't try to get close  
I'm just going to leave because I'm a lone ranger

Na, na, na, na, na, na, na

I don't want to get broken baby  
I don't want to get broken baby  
I don't want to get broken babe, cut open babe, cut open babe

Sometimes I get high, sometimes I get low  
But I'm calm as can be in a room full of strangers  
But oh my, don't try to get close  
I'm just going to leave because I'm a lone ranger

Na, na, na, na, na, na, na

But oh my, don't try to get close  
I'm just going to leave because I'm a lone ranger
