

Breathe In Breathe Out

Rachel Stevens

So breathe in, breathe out
Breathee in, breath out

Can you feel what I'm feeling now
Every dark cloud's gone away out of sight
Can you feel the relief inside
Every tension disappeared overnight
All that I want is right here in front of me
Now I see what it's all about
No more questions all my wrongs turn to right

I know what I've got
And I don't wanna be without

So breathe in, breathe out
This is a new day coming
Breathe in, breathe out
Let's cherish every morning
Don't let anything get you down
Today, the sun is shinin'
So breathe in, breathe out
This is a new day coming

Let's get up and get on our feet
I can't wait to seize the day, you and me
Can achieve what we're dreamin' of
So c'mon, we're getting late, gotta go
Everybody's on time
And I don't wanna miss the show
Can you feel what I'm feeling now
Every dark cloud's gone away out of sight
I know what I've got
And I don't wanna be without

So breathe in, breathe out
This is a new day coming
Breathe in, breathe out
Let's cherish every morning
Don't let anything get you down
Today, the sun is shinin'
So breathe in, breathe out
This is a new day coming

So breathe in, breathe out
(so breathe in, breathe out)
So breathe in, breathe out
Breathe in, breathe out
This is a new day coming
So breathe in, breathe out
(Breathee in and breath out)
Breathe in, breathe out
(This is a new day coming)

So breathe in, breathe out
Can you feel what I'm feeling now
Breathe in, breathe out
Can you feel the relief inside

Don't let anything get you down
Today, the sun is shinin'
So breathe in, breathe out
This is a new day coming

So breathe in, breathe out
(Breathe in and breathe out)
Breathe in, breathe out
Let's cherish every morning
Don't let anything get you down
Can you feel what I'm feeling now
So breathe in, breathe out
This is a new day coming
