Ooh, how do you like my love? Ooh, how do you like my love?

But if you want to know how I really feel Just get the cameras rolling, get the action going Baby, you know my love for you is real Take me where you want to, then my heart you'll steal

More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like it?

Ooh, how do you like my love? Ooh, how do you like my love?

And if you want to know what it means to me Just hear the rhythm grooving, get your body moving Baby, you know my love for you is true Any time you want to, do what you gotta do

More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like your love?

Baby, you know my love for you is real Take me where you want to, then my heart you steal

More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like it? More, more, more How do you like it? How do you like your love?
