

# You Are Everything

Rachel Stevens

You are everything

Today I saw somebody  
Who looked just like you  
He walked like you do  
I thought it was you

As he turned the corner  
I called out your name  
I felt so ashamed  
Cause it wasn't you  
Wasn't you

You are everything (you.... are everything)  
And everything is you  
Oh, you are everything  
And everything is you  
Oh you are everything  
And everything is you

Oh baby

How can I forget  
When each face that I see?  
Brings back memories  
Of being with you  
Oh darling I just can't go on

Living life as I do  
Comparing each girl with you  
Knowing they just won't do  
They're not you  
No, no, baby

You are everything (oooooh.. you are everything)  
And everything is you  
Oh, you are everything (aaaah.. you are everything)  
And everything is you  
Oh you are everything  
And everything is you

For you're everything to me  
Don't you know you're everything to me  
You're everything  
Everything to me
