

# If You Know What I Mean

Racoon

Please get my hands untied  
If you know what I mean  
Listen, ignore your pride  
If you know what I mean  
I can't make this on my own  
If you know what I mean  
Sing 'till I'm going home  
If you know what I mean

If you know what I mean  
If you know what I mean

Pick it up when the others leave  
Or burn the whole idea  
Pick it up or you let it be  
The choice is yours I fear  
Pick it up when the others leave  
Or burn the whole idea  
Pick it up or you let it be  
The choice is yours I fear

The choice is yours I fear

Don't need no diamond ring  
If you know what I mean  
Advise, don't be a king  
We're all so overfed  
If you know what I mean  
Eat away our regrets  
If you know what I mean

Pick it up when the others leave  
Or burn the whole idea  
Pick it up or you let it be  
The choice is yours I fear  
Pick it up when the others leave  
Or burn the whole idea  
Pick it up or you let it be  
The choice is yours I fear  
Pick it up pick it up pick it up when the others,  
Pick it up pick it up pick it up when the others,  
Pick it up when the others leave  
Or burn the whole idea

If you know what I mean  
If you know what I mean  
If you know what I mean
