

Give Up the Ghost

Radiohead

Don't hurt me
Don't hurt me
Don't hurt me

Gather up the lost and sold (Don't hurt me)

In your arms (Don't hurt me)
In your arms (Don't hurt me)

Gather up the pitiful (Don't hurt me)

In your arms (Don't hurt me)
In your arms (Don't hurt me)

What seems impossible (Don't hurt me)

In your arms (Don't hurt me)
In your arms (Don't hurt me)

I think I have had my fill (Don't hurt me)

In your arms (Don't hurt me)
In your arms (Don't hurt me)
In your arms (Don't hurt me)
In your arms (Don't hurt me)

I think I should give up the ghost (Don't hurt me)

In your arms (Don't hurt me)
In your arms (Don't hurt me)
In your arms (Don't hurt me)
In your arms (Don't hurt me)
