How Do You?

Radiohead

He's bitter and twisted He knows what he wants He wants to be loved and he wants to belong He wants us to listen, he wants us to weep And he was a stupid baby who turned into a powerful freak

But how do you? How do you? How do you?

He lives with his mother But we show him respect He's a dangerous bigot, but we always forget And he's just like his daddy because he cheats on his friends And he steals and he bullies anyway that he can

But how do you? How do you? How do you?
