

Let Down

Radiohead

1. Transport, motorways and tramlines
Starting and then stopping
Taking off and landing
The emptiest of feelings
Disappointed people clinging on to bottles
And when it comes it's so so disappointing

R: Let down and hanging around
Crushed like a bug in the ground
Let down and hanging around
2. Shell smashed, juices flowing, wings twitch
legs are going, don't get sentimental
It always ends up drivin'
One day I'm going
to grow wings a chemical reaction
Hysterical and useless, hysterical and...

R: Let down...

Let down again
Let down again
Let down again
3. You know, you know where you are with
You know where you are with
Floor collapsing, floating, bouncing back
And one day
I'm going to grow wings a chemical reaction
Hysterical and useless, hysterical and...

R: Let down...
