

# No Surprises

Radiohead

A heart that's full up like a landfill  
A job that slowly kills you  
Bruises that won't heal

You look so tired and unhappy  
Bring down the government  
They don't, they don't speak for us  
I'll take a quiet life  
A handshake of carbon monoxide

No alarms and no surprises  
No alarms and no surprises  
No alarms and no surprises  
Silent, silent

This is my final fit, my final bellyache with

No alarms and no surprises  
No alarms and no surprises  
No alarms and no surprises please

Such a pretty house, such a pretty garden

No alarms and no surprises (let me out of here)  
No alarms and no surprises (let me out of here)  
No alarms and no surprises please (let me out of here)
