Radiohead

I jumped in the river and what did I see? Black-eyed angels swam with me A moon full of stars and astral cars All the things I used to see All my lovers were there with me All my past and futures And we all went to heaven in a little row boat There was nothing to fear and nothing to doubt

I jumped into the river Black-eyed angels swam with me A moon full of stars and astral cars And all the things I used to see All my lovers were there with me All my past and futures And we all went to heaven in a little row boat There was nothing to fear and nothing to doubt

There was nothing to fear and nothing to doubt There was nothing to fear and nothing to doubt
