Radiohead

It's like I'm falling out of bed  
From a long, weary dream  
The sweetest flowers and fruits hang from the trees  
Falling off the giant bird that's been carrying me  
It's like I'm falling out of bed from a long and weary dream

Just exactly as I remember  
Every word  
Every gesture  
I'm a heart in cold ground

Like I'm falling out of bed  
From a long and weary dream  
Finally I'm free of all the weight I've been carrying

Every woman blows her cover  
In the eye of the beholder  
I'm a fish now out of water

Falling off a giant bird that's been carrying me

I fell open  
I laid under  
At the tip out  
I was just a number

I wanna slip it over  
And get back under  
And if you think this is over  
Then you're wrong  
If you think this is over  
Then you're wrong

(Wake me up, wake me up)

If you think this is over  
Then you're wrong  
If you think this is over  
Then you're wrong

(Wake me up, wake me up)

Like I'm falling out of bed from a long and weary dream  
Finally I'm free of all the weight I've been carrying

When I ask you again  
When I ask you again  
Wake me up, wake me up
