

# The National Anthem

Radiohead

Everyone  
Everyone around here  
Everyone will stop here  
What's going on?  
What's going on?

Everyone  
Everyone around here  
Everyone will stop here  
Everyone will stop the fear  
What's going on?  
What's going on?

Everyone  
Everyone around here  
Everyone will stop here  
What's going on?  
What's going on?  
What's going on?  
What's going on?
