

Where I End and You Begin

Radiohead

There's a gap in between
There's a gap where we meet
Where I end and you begin
And I'm sorry for us
The dinosaurs roam the earth
The sky turns green
Where I end and you begin
I am up in the clouds
I am up in the clouds
And I can't and I can't come down
I can watch and can't take part
Where I end and where you start
Where you, you left me alone
You left me alone
X'll mark the place
Like the parting of the waves
Like a house falling in the sea
In the sea
I will eat you alive (4x)
There'll be no more lies (4x)
I will eat you alive (4x)
There'll be no more lies (4x)
I will eat you alive (4x)
There are no more lies (4x)
I will eat you alive (3x)
