

# You

Radiohead

You are the sun and moon and stars, are you  
And I could never run away from you

You try at working out chaotic things  
And why should I believe myself, not you?

It's like the world is going to end so soon  
And why should I believe myself?

You, me and everything caught in the fire  
I can see me drowning, caught in the fire

The earlier version finishes with the following:  
Hey the sun and moon and stars are yeah..  
But I won't share myself with you  
You to me
