

Disappointing You

Radney Foster

Another day dawns
I'll be leaving for work soon
And you won't suspect a thing
'Til late this afternoon

I won't be coming home
But it don't matter what I do
You see it's just another day
Of disappointing you

All I ever wanted
Give you what you wanted
Seems like all I'm giving
Is nothing you can use

All I've ever needed
Was to hear that you might need my love too
But it's just another day, it's just another way
Of disappointing you

I got nothing left for you
That you can't find on your own
I'm not trying to be cruel
I'm just trying to say, "You're strong"

But I've grown tired of wondering
What I should or should not do
When I'm staring down the silence
Of disappointing you

All I ever wanted
Was to give you what you wanted
Seems like all I'm giving
Lord is nothing you can use

All I've ever needed
Was to hear that you might need my love too
But it's just another day, it's just another way
Of disappointing you

You see it's just another day, it's just another way
Of disappointing you
