

The Lucky Ones

Radney Foster

Day after day, the search goes on
No one's explained that craving so strong
Love runs so deep down in your soul
It hits me so hard, all that I know

'Cause baby, the lucky ones
Baby, the lucky ones
Baby, the lucky ones
For a moment or two
Get to fall in love with somebody like you
Get to fall in love with somebody like you

They say use your head, don't lose control
To hell with that pride, I swallowed it whole
'Cause nothing but love, no one but you
Could make such a hero of such a fool

Baby, the lucky ones
Baby, the lucky ones
Baby, the lucky ones
For a moment or two
Get to fall in love with somebody like you
Get to fall in love with somebody like you

Baby, the lucky ones
Baby, the lucky ones
Baby, the lucky ones
For a moment or two
Get to fall in love with somebody like you

Baby, the lucky ones
Baby, the lucky ones
Baby, the lucky ones
For a moment or two
Get to fall in love with somebody like you
Get to fall in love with somebody like you
