My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch

The ho should've never chose me  
And I should've never chose her  
Now I'm in the same predicament that you was in  
Back then when you was fuckin' 'round with her  
A ho just gon' be a ho  
And a slut just gon' be a slut  
But now my money long, real, real, real long  
And I just can't give two fucks  
Look, you should've had a check, bitch  
(Hold on a second)  
You could've had a check, bitch  
Shoulda, coulda, woulda, now I'm with my next bitch  
And you just another name on the checklist  
Fuck these hoes, been tossed and thrown 'round  
Bitch oh piu, you so foul  
How you gon' do all of that there and put your head down?  
As a man that's all I really got to say about you  
Damn, gon' call my phone askin', "Can we start over?"  
She interruptin' me, countin' my money, I had to start over

My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch

My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch  
My ex-bitch, I'm shinin' on my ex-bitch

And you didn't work out, that's cool cause my new bitch better

No more overseas shoppin' but yes I'll still take that sloppy
