Ice Water

Raekwon

Tommy Hil' rockin ice niggaz Tommy Hil' ice rockin niggaz who fuck Mira afrente

Take a one on one to this shit y'all
(Yeah)
Get your nostrils clear
 (Yeah)
Come on, sniff your brains out
All my Al Capone, Al Pacino niggaz
(Yeah)
Who's down with drug smuggling
Cappadonna Golden Arms

Yo, yo, take out the rap kingpin, the black Jesus I know a few niggaz sniff coke, it cause seizures Peace to half-moon Caesars and all the bitches in the bleachers Hot weather, sex on the beaches, jury shopping out of the country Deluxe luxury, people sayin' dem not change, look, truckle me

But what about the Wonder Woman bracelet? Two-oh point three diamond cut engraved rubies, kid I laced it My sweet tooth gotta nigga throbbin', ready for robbin' But first hit Maria's, for a butter almond The bionic microphone is stacked mechanic Move like a bunch of Mexicans with bandanas

Son, it's on, so we can just Maximillion I got the spot sewn, so we can make a billion The God's tropical, ladies call me black fruit punch Rainbow, flavored niggas, murder niggas for lunch Peace to the Paris crew in the avenue and my nigga, Jay Love Who carries switch blades on the red roof

Yo, the first branch, the third leaf, whoever want it got beef I politic, show love, crush those who dare creep Into my realm of sunshine, I praise divine Fine line between dawn of dumb, deaf and blind He ain't mine, he shook like the faggots on daytime Crossed over grain while we was bubblin' moonshine Sippin' on the Moet, laid up, Rae-Gambino Mastermind the plan, Tony Starks, Cappachino

Develop while your head be swellin' up all for the nation Blinded by the ice while I release the confrontation Donna holy fat bads of weed, ravioli Pasta, Bodyguard the killa bee songs like Kevin Costner Infrared all inside your bumba rasta Cappadonna pimped the derby like the mobster

Yeah, yeah, eight spaghetti lame brain ass niggaz Quarters, nickels, and dimes bitch, except for overtime nigga Any ass money should be fine 'Cause I'm coming strong, reakin' niggas backs, keepin' shit real If you haven't noticed crazy ass, rusty ass nigga Let me tell you this four times Tony Starks, Raekwon the chef Cappachino and Golden Arms Is comin' through mad strong From the isles of Shaolin For all them faggot ass Rusty ticket-head bitches too Shump shump baby

Yo, back in the days, baggin' crack, scrapin' plates Flippin' cakes to them heavy head, niggaz hatin' Jakes It be us, all the war's soldiers, hangin' in halls gettin' over City niggaz who for blood money rockin' Rovers Stay dipped, don't have no money in your pocket In the streets while these people mark money in their Jeep Crack bums, watch your back for jumps Caught before a fake twenty dollar bill, get em son, we ain't the one

Politickin', purse vickin', sick of these Dominicans Eatin' good, had to shoot my way up out of Bennigans That's life, to top it all off, beef for white Pullin' bleach out tryin' to throw it in my eyesight Yo, what the fuck was on yo mind?
