Raekwon

Then who will beat him?  
I don't know, you know I can't reveal that sort of thing to you  
Well I haven't got my money yet

Head splash, caught him... (eight million stories or something)  
Eight million stories, nigga  
Word up, from the hard streets of Norfolk  
Motherfucker to New York, all over the world, nigga  
We win, all day everyday, nigga (Son is missing right now, man)  
Ya bitch-ass nigga, watch what happens (Get on it man, for real)  
Check the shit, yo, aiyo, aiyo...

They found his head splashed, caught him by the side of the building  
He had a mask on, four-five why did you kill him?  
It was supposed to happen, clicked the shit back  
Yo, this is the deal, you get on the floor and lay in the grass  
Had me handcuffed, take two puffs of the kush  
I see you out here, your name's real, can't let you get touched  
He had a team, Japanese fiend, all of them greened down  
Chiba lit, blood on his Adidas was thick  
One second homey, walked over, weapon was boney  
Long nose joint, "Hold him", grabbed the nigga head, broke his Roley  
Where the blow shorty? Shorty start smiling, "Y'all niggaz is puss"  
Yo, Lex, these niggaz, ain't vets, they gush  
Chunk of meat flew off his cheek bone, broke a seat  
Had a hole in his 'Lo shirt and took all his weed  
Untied him, he fell, legs weak and son wouldn't tell  
Now it gets deep, son start falling asleep  
They woke him back up, smacked him with the Mac, "Where ya slut?"  
I heard you copped a new Beemer and them glasses is rough  
They was the Furla joints, eighteen karets, bought 'em right in Brazil  
He had the steal on 'I'm, niggaz went savage, they had him spread out  
T position, opened his jeans up  
Shot him in the leg bone, he rose up like Kung Tut  
Still riffing, this why for real my niggaz'll still get it  
All of us yelling, he I'll with it  
Mouth bloody, muddy Gucci joints on, them shits was nine hundred  
Couldn't wait to kill him, his sons wanted it  
Champion hoody was gone, they broke his neck in like five places  
Pushed him down the rail and it skipped his face

Yo, chill, nigga, chill  
Police, police, the bullhorn... (Aiyo, son, niggaz better start flushing the  
fucking toilet, man)  
They just fucking killed this nigga, my nigga
