

For a Boy

RaeLynn

For a boy, your heart is pretty see through
For a boy, you sure let your guard down
When you know what you want,
Want what you see,
And baby right now you're looking at me
The way you say my name
I know you ain't playin' games

For a boy, you're good at sayin' sorry
For a boy, I sure can feel your heart
It's like a freight train coming at me
I'm across the booth on the edge of my seat
You don't make me wait
You say what you came to say

Go on get it out boy
Say I'm the only one that makes you this crazy
Come on, tell me how boy
How I'm the only thing you're thinking 'bout lately
But what you don't know, what you don't know
Is what a girl like me would do for a boy like you

For a girl, I'm pretty cool, calm, and collected
For a girl, who's getting more than she expected
From an ex-love but here I am
You're putting your heart in the palm of my hand
I'm trying to act real cool
But inside I'm a lovesick fool

Go on get it out boy
Say I'm the only one that makes you this crazy
Come on, tell me how boy
How I'm the only thing you're thinking 'bout lately
But what you don't know, what you don't know
Is what a girl like me would do for a boy like you
For a boy like you

Go on get it out boy
Say I'm the only one that makes you this crazy
Come on, tell me how boy
How I'm the only thing you're thinking 'bout lately
But what you don't know, what you don't know
Is what a girl like me would do for a boy like

Go on say it all boy
Put every last feeling out on the table
Come on it's last call boy
Before the night ends let's give this a label
'Cause what you don't know, what you don't know
Is what a girl like me would do for a boy like you
For a boy like you
What a girl like me would do
For a boy like you
