

All I Really Need

Raffi

All I really need is a song in my heart
Food in my belly and love in my family
All I really need is a song in my heart
And love in my family

And I need the rain to fall
And I need the sun to shine
To give life to the seeds we sow
To give the food we need to grow, grow

All I really need is a song in my heart
Food in my belly and love in my family
All I really need is a song in my heart
And love in my family

And I need some clean water for drinking
(Drinking)
And I need some clean air for breathing
(Breathing)
So that I can grow up strong
And take my place where I belong

All I really need is a song in my heart
Food in my belly and love in my family
All I really need is a song in my heart
And love in my family

Yeah, put your hands together

All I really need is a song in my heart
Food in my belly and love in my family
All I really need is a song in my heart
And love in my family, yeah

All I really need is a song in my heart
Food in my belly and love in my family
All I really need is a song in my heart
And love in my family

All I really, really need love in my family
I got to have it, I really need it, love in my family
All I really, really need, all I really need is love
All I really, really need, all I really need is love

All I really need is love, mmm, she loves you
Yeah, yeah, yeah, yeah, yeah, all I really need is love
All I really need is love, all I really need is love
