

Big Beautiful Planet

Raffi

There's a big beautiful planet in the sky
It's my home. It's where I live
You and many others live here too
The earth is our home. It's where we live
We can feel the power of the noon day sun
A blazing ball of fire up above
Shining light and warmth enough for everyone
A gift to every nation from a star
There's a big beautiful planet in the sky
It's my home. It's where I live
You and many others live here too
The earth is our home. It's where we live
We can feel the spirit of the blowing wind
A mighty source of power in our lives
Offering another way to fill our needs
Nature's gift to help us carry on
There's a big beautiful planet in the sky
It's my home. It's where I live
You and many others live here too
The earth is our home. It's where we live
(repeat until fade)
