

On Christmas Morning

Raffi

Waiting throughout the year
For Christmas morning to be here
And counting how many days
Till Christmas morning, drawing near
On Christmas morning
I'll wake up bright and early
Be the first one out of bed
With the mistletoe above my head
On Christmas morning
We can sing and celebrate
And make the feeling stay
All through the day
Presents under the tree
There's one from me to you and you to me
Family and friends are here
On the very best morning of the year
On Christmas morning
I'll wake up bright and early
Be the first one out of bed
With the mistletoe above my head
On Christmas morning
We can sing and celebrate
And make the feeling stay
All through the day
On Christmas morning
I'll wake up bright and early
Be the first one out of bed
With the mistletoe above my head
On Christmas morning
We can sing and celebrate
And make the feeling stay
All through the day
