

Time to Sing

Raffi

It's time to sing a song or two
You with me and me with you
Time for us to sing a while
Hey hey hey

It's time for us to clap our hands
In rhythm with the beat
Time for hands to clap awhile
Hey hey hey

And it's time for saying hi and hello (Hi Raffi)
Let's all sing a song that we know

It's time for us to tap our toes
Together with our feet

Time for toes to tap awhile
Hey hey hey

And it's time for saying hi and hello (Hi Raffi)
Let's all sing a song that we know

It's time to make a sound you like
Brr brr brr brr brr brr brr
Scootily yop bob be ba ba
Bop bop diddly dee

It's time to sing a song or two
You with me and me with you
Time for us to sing a while
Hey hey hey

I'm singing hey hey hey
We're singing hey, hey hey hey
