

Are Dekhi Zamane Ki Yaari

Rafi

Are dekhi zamaane ki yaari
Bichhade sabhee, bichhade sabhi baari baari
Kya le ke milen ab duniya se, aansu ke siva kuch paas nahi
Ya phul hi phul the daaman men, ya kaanton ki bhi aas nahi
Matalab ki duniya hai saari
Bichhade sabhee, bichhade sabhi baari baari

Vaqt hai maharabaan, aarazu hai javaan
Fikr kal ki karen, itani fursat kahaan

Daur ye chalata rahe rang uchhalata rahe
Roop machalata rahe, jaam badalata rahe

Raat bhar mahamaan hain bahaaren yahaan
Raat gar dhal gayi phir ye khushiyaan kahaan
Pal bhar ki khushiyaan hain saari
Badhane lagi beqaraari badhane lagi beqaraari
Are dekhi zamaane ki yaari
Bichhade sabhee, bichhade sabhi baari baari

Ud ja ud ja pyaase bhanvare, ras na milega kaaron mein
Kaagaz ke phul jahaan khilate hain, baith na un gulazaaro mein
Naadan tamanna reti men, ummid ki kashti kheti hai
Ik haath se deti hai duniyaa, sau haathon se leti hai
Ye khel hai kab se jaari
Bichhade sabhee, bichhade sabhi baari baari
