

## Mic Check

## Rage Against the Machine

Wait a minute now  
Ha Aha Cmon  
Wait a minute now  
Check

To tha young r to tha e tha b to tha e tha l  
Never give up just live up  
Fed upon America  
I be spittin it up  
Rippin it up  
Even amount in each cup  
To my brothers burning bare feet on black top  
Whose curled neath tha shadows  
From the gaze of the cops  
Whose huntin for 9 to 5s through factory locks  
Is now hunted on this modern day auction block

Mic Check, Ha Aha  
I be the anti-myth rhythm rock shocker

Te te te te te Huh  
Back in

Flexin and mashin  
With complex text  
Fast and in a fashion  
That snap back necks  
Quicker than a fed cash tha company checks  
Huh, I be tha fire only Marley could catch  
Yes, I be tha flame in tha cellar beware  
Where nameless cold millions gaspin for air  
Tha naked and wageless  
Scream within cages, huh  
They make you pull your shit  
Just to get your share, what?

Mic Check, Ha Aha

Huh go, Huh go, Huh go, Huh go, Huh go, Huh go, Huh go, Huh go,

Welcome down with the warrior sound, Uh.

With this mic device

I spit nonfiction  
Who got tha power  
This be my question  
Tha mass of tha few  
In this torn nation?  
Tha priest, tha book or tha congregation?  
Politricks who rob and hold down your zone?  
Or those who give tha thieves tha key to their homes?  
Tha pig whos free to murder one Shucklak  
Or survivors who make a move and murder one back?
