

## Down by Law

Rage

Now, help me, I must reach the border  
I run from the keepers of order  
They have locked me up just for nothing

Help me I'm down by law  
Help me I'm down by law  
Watch out, they're at your door  
Help me, I'm down by law

There's no chance to defend  
When power is in wrong hand

Me, I come out the dirt, I got nothing  
No, the cops, they were looking for a fight  
And I'm a victim of denunciation

Help me I'm down by law  
Help me I'm down by law  
Watch out, they're at your door  
Help me, I'm down by law

My fortune is a plight  
Where's law there is no right

Kill this bastard  
Hunt him to death  
Oh, have mercy!  
No, you won't be free

Now I'm a criminal subject  
Why? My life's a mess, no turning back  
Just because arbitrariness rules this land

Help me I'm down by law  
Help me I'm down by law  
Watch out, they're at your door  
Help me, I'm down by law

Down by law  
Down by law  
Down by law  
Down by law
