

Wake Me When I'm Dead

Rage

Will you wake me?
Wake me when I'm dead

I think it's time now, I gotta go
But don't you shed a tear when I'm gone
Before it's over
I hope that I don't suffer too much, when it's over

I don't want to miss this place
I hate to leave, I just can't face
Realities of death, I will deny
Realities of death, I will deny

Will you wake me?
Wake me when I'm dead
Will you wake me?
Wake me when I'm dead

And when I grow cold you cotta put a spell on me
Before I grow cold
Just one injection and maybe I can stay on your side
If the shot works

I don't want to miss your face
The warmth of summer
Springtime's grace
Realities of death, I will deny
Realities of death, I will deny

Will you wake me?
Wake me when I'm dead
Will you wake me?
Wake me when I'm dead

Will you wake me?
Wake me when I'm dead

I think it's time now, I gotta go
But don't you shed a tear when I'm gone
Before it's over
I hope that I don't suffer too much, when it's over

I don't want to miss this place
I hate to leave, I just can't face
Realities of death, I will deny
Realities of death, I will deny

Will you wake me?
Wake me when I'm dead
Will you wake me?
Wake me when I'm dead
