

Dungeon Whippet

Raging Speedhorn

Death only through the eyes of your mind
Watching no one
Slowly turning around
Disrespectful
This is no one clear
Distant hearing
Death only because I'm wrong
Fucking whore

REPEAT CHORUS

Kill the insane (2x)

You always let me fall astray
So love will fear all
How many lies will you tell today
Distant vision
Your lonely eyes were so thoughtful then
Lethal hearing
'Cause your side was dominant
Your fear for fear

REPEAT VERSE 1

REPEAT CHORUS
