## **Dungeon Whippet**

## **Raging Speedhorn**

Death only through the eyes of your mind Watching no one Slowly turning around Disrespectful This is no one clear Distant hearing Death only because I'm wrong Fucking whore

REPEAT CHORUS

Kill the insane (2x)

You always let me fall astray
So love will fear all
How many lies will you tell today
Distant vision
Your lonely eyes were so thoughtful then
Lethal hearing
'Cause your side was dominant
Your fear for fear

REPEAT VERSE 1

REPEAT CHORUS
