

## Mandan

## Raging Speedhorn

One last chance and you will see  
You're will belong  
No one cares enough for me  
You're in my eyes  
Distance built between you and me  
Never again  
One last chance and you will see  
You always lie  
I can't cry and deny  
Don't f\*\*kin' lie to me  
You will laugh and I will die  
You're always f\*\*kin' fake  
No one cares, it's you or me  
Never again with you  
It's all f\*\*ked and you can see  
You only lie

No more tomoroow - f\*\*kin' lie  
Yourself alone  
No more tomorrow - your life's a lie  
Screaming because...

One last chance and you will see  
You're in my eyes  
There's no time for you and me  
Don't f\*\*kin' lie  
There's no smell and you can tell  
Never again  
You are not in my cell  
Your open lie  
Distance built between you and me  
You always lie to me  
Time has gone and I can't see  
You f\*\*kin' piece of shit  
This is not enough for me  
You always lie to me  
No one knows what you will be  
Your f\*\*kin' bleed

[REPEAT CHORUS]

What do I know, I will not follow  
Screaming because, I will not follow  
Faces unknown, I will not follow  
Know what you know, I will not follow

Loser!  
Will not f\*\*kin' be denied!

What do I know, you're always angry  
Faces are known, you're always angry  
Bitches will come, you're always angry  
Know what you say, you're always angry  
Feelings allow, you're always angry  
Pictures of me, you're always angry  
Screaming so hard, you're always angry  
Pictures of you, you're always angry

Tosser!  
You will never be denied!

Screaming so hard, you'll always be denied  
Known all my life, you'll always be denied  
Known all my life, you'll always be denied  
Screaming so hard, you'll always be denied  
Screaming so hard, you'll always be denied  
Pictures of you, you'll always be denied  
Bitches for me, you'll always be denied  
Bitches for me, you'll always be denied  
Fuck for your own
