

# When You Love Somebody

Raheem DeV Vaughn

Love will make you toss and turn, yeah  
Make you toss and turn  
Love will make you long and yearn, oh yeah

When you love somebody  
When you love somebody  
When you love somebody

Oooh, it's like magic  
You'll be speechless and spell bound  
When it's got a hold on you  
Ain't it something, (love)  
Love got a hold on you, (love's got a hold on you)  
It'll make your high feel low  
And your low feel high  
It'll make your heart feel weak  
You won't eat, you won't sleep  
Love's got a hold on you  
Love will make your lady scratch up your brand new Mercedes  
Love will have you drunx texting your ex girlfriend at 3am in the morning  
While she's laying with her new love

When you love someone  
When you love someone  
When you love someone  
When you love someone

You'll be spiteful and vindictive, hey  
Ain't it something, When you love somebody  
When you love somebody and love's got a hold on you  
When you love somebody, love's got a hold on you  
It'll make your high feel low  
And your low feel high  
Love will make you want one, stop spinning around  
Ooh and it feels good to love somebody  
Love feels good  
You, you, you, start thinking 'bout conceiving babies  
And manning up, sharing your last name  
Walking down the aisle, singing I do

When you love somebody  
When you love, love someone  
When you love somebody

For that person, that special someone  
And I'm telling you there is nothing you won't do  
When love, when love, love's got a hold on you  
When love, when love's got a hold on you  
Man in the special way you love somebody  
When love's got a hold on you  
Ooh ain't it wonderful when you love somebody  
And somebody loves you too  
Love's got a hold on you

When you love somebody  
Oh when you love someone  
(When you love someone)

Yeah, when love's got a hold on you

(When you love somebody)

You might smoke a cigarette

(When you love someone)

You might go to the bar and drink away your blues

(When you love someone)

When love's got a hold on you

Sometimes, sometimes you cry yourself to sleep when love's got a hold on you

(When you love somebody)

(When you love someone)

And when it feels good, it feels good to tell someone "I love you too"

(When you love somebody)

When you believe somebody

(When you love someone)

When you trust someone

Give your all

(When you love somebody)

You spend your life

(When you love someone)

When you love someone

(When you love somebody)

(When you love someone)

When you love somebody

(When you love somebody)

(When you love someone)

Love someone

When you love somebody

When you love someone, hey

Love somebody, love someone, love somebody, love someone

Love somebody, love someone, love somebody, love someone

Love somebody, love someone, love somebody, love someone
