

# Water

Rahsaan Patterson

Hypnotic scene  
Drowning me deeper than the sea  
Crashing waves  
Exuberating  
And yet I freeze

This midnight's got me cold  
But I don't want it to let go  
It's become clear  
That I'm drowning in your tears

Oh, oh  
Oh, oh, oh, oh? Oh  
Oh, oh, oh, oh, oh? Whoa? Water

Lifesaver please  
Is anyone there to sense my need?  
Shores I conceive  
Are farther away than I believe

This shiver's got me bold  
And I don't want it to let go  
Because I fear, I fear  
That if I drown no one will care

Oh, oh  
Oh, oh, oh, oh? Oh  
Oh, oh, oh, oh, oh? Whoa? Water
