

Water

Rahsaan Patterson

Hypnotic scene
Drowning me deeper than the sea
Crashing waves
Exuberating
And yet I freeze

This midnight's got me cold
But I don't want it to let go
It's become clear
That I'm drowning in your tears

Oh, oh
Oh, oh, oh, oh? Oh
Oh, oh, oh, oh, oh? Whoa? Water

Lifesaver please
Is anyone there to sense my need?
Shores I conceive
Are farther away than I believe

This shiver's got me bold
And I don't want it to let go
Because I fear, I fear
That if I drown no one will care

Oh, oh
Oh, oh, oh, oh? Oh
Oh, oh, oh, oh, oh? Whoa? Water
